

# Here's how to order wholesale with Ipswich River Craft:

## **PACKAGE SUGGESTIONS.**

We have 2 easy to pick custom packages – The Dingy, The Captain's Package. Of course, you can create your own package.

## **OR ...PICK YOUR OWN ORDER!**

Or you can certainly create your own package. We require you **buy three of each item selected** but will make an exception and will allow ordering just one Large sign as a store display along with other signs. All signs will come with signage for clear display in store.

## **HERE IS HOW TO SELL AND ORDER CUSTOM SIGNS.**

Since a lot of customers like to order their own last name, we have made custom ordering easy. We suggest getting a display signs for your store, so show sizes and you will get our picture booklet that gives lots of great ideas on what to order and where to put it.

You will also receive a very easy form to fill out and text back to me to get the orders processed. You take the money, decide where it will be shipped – if to you at the store, you pay shipping. If shipping to the customer - they pay the shipping outlined on the order form. I will invoice you as soon as the order is received. Money is expected as soon as orders are placed since they are all custom orders. If we are shipping to the store, I will also invoice you for the shipping once shipped.

## **SIZE?**

Regarding size... please check out our size video – we have 5 sizes Large, Medium, Small, Mini and Skinny Mini for our big signs.

Our "Tiny Line" of products include Door Hangers and Desktops Signs. We also make custom Location/Town Signs, and (Whiskey Tango Foxtrot) WTF Hats and WTF Champion Hoodies.

## **PAYMENT?**

Since these are custom order, please be ready to pay 100% up front for the order. We will also need your tax id for our book keeping.

## **TURNAROUND TIME?**

Usually, 3 weeks from order to delivery is what we like to say. Of course, we do offer rush service for a \$50 fee to get in 1 week.

**QUESTIONS?**

I am happy to discuss any special request or combinations with you – just email me or ring me up.
