During the holidays one of the most popular requests was our [SERVICE PLAQUE](#), which includes the U.S. Service Flag and star custom made with the Vet's three initials below. For every plaque sold we gave HOME FOR OUR TROOPS a \$25 dollar donation.

For Valentine's Day we are continuing the giving. For every sign sold that includes ["A Heart"](#) we are make a 10% donation to HOMES FOR OUR TROOPS. "I heart U" "He Loves Her"

Plus, we have a new "More Affordable Line" in production. [DOOR HANGERS](#) - that say "I Love U" - "Home" - "He Loves Her"

And [DESK PLAQUES](#) that sit in a holder. They can be customized to say what you want. Names, Initials, Words up to 9 letters and spaces.

But as always, our big signs are our signature which really pop inside and outside and come in 5 sizes. Skinny Mini – for boats and tight spots, Mini for indoors, Small is great over doors, Medium is wonderful indoors or outside and Large is the showstopper.
